Sponsor Form

Since 2012, the Free Book Swap has handled more than 70,000 books. It is a community focused event to highlight America Recycles Day in Wayne County that supports local and global literacy efforts. Books are donated and rehomed for free to the public without limitations or requirements. Any books left over from the event are boxed and shipped to Better World Books to promote global literacy efforts, or recycled at our county center.

The Free Book Swap supports community building, fosters literacy, and demonstrates sustainable living. In 2019, The Free Book Swap is being recognized by the Pennsylvania Environmental Council with an Environmental Partnership Award thanks to the continued support of our partners.

Your support secures a sustainable next chapter for many treasured books!
